MARIEM TOUATI

321-353-3091 | ma728758@ucf.edu | https://www.linkedin.com/in/mariem-touati | Orlando, FL 32826

EDUCATION

University of Central Florida   Orlando, FL
Bachelor of Arts in Computer Science, Minor in Digital Media, TEFL Certificate   *January 2023 – Present*

EXPERIENCE

Retail   March 2019 – August 2024
Three Diamonds Beauty Supply   *Cocoa, FL*
- Rang up customers and worked with cash handling.
- Greeted and bid customers farewell with a positive attitude to allow for a more comfortable shopping space.
- Assisted customers with various needs, such as searching for an item, finding its location, and offering advice.
- Cleaned the store, handled inventory and restocking.

Association of Computing Machinery   Present
University of Central Florida   *Orlando, FL*
- Active member of the Creative Committee, assisted in designing and proofreading many of the creative material for the club including GBM and info session flyers, as well as the club's business card (via Canva).

Volunteering Work   2017-2024
Various Locations   *FL*
- Second Harvest Food Bank (2023): Encouraged holiday shoppers to donate items to families in need via a list, approached them with a kind and welcoming attitude.
- Children's Home Society of Florida (2023-2024): Donated a gift to a family in need for the holiday season.
- Brevard County Public Schools/Libraries (2017-2022): Aided with shelving and locating books in the library, and assisted various teachers with grading classwork in a timely manner (as well as other miscellaneous classroom duties).
- Volunteer UCF (2024): Volunteered with Volunteer UCF in a variety of pantry restocks, card making events, and the occasional hygiene drive.

PROJECTS

ACM Website | *HTML, CSS, Figma*
- Assisted with revamping the UCF ACM's website, collaborating with the front and back end teams.
- Worked with team members to redesign the wireframes in Figma, designing a sleeker, more enhanced UI.
- Focused on fixing the website's responsiveness for a smooth UX on a variety of different devices. Improved accessibility according to WCAG guidelines.

Capistrano Distillery Website | *HTML, CSS, JS*
- Worked in a team of 8 to design a full-stack website for Capistrano Distillery, located in the Philippines. Made sure to include all core pages the site should have and features such as a location pin-pointer and appointment booking system.
- Inquired on, noted, discussed, and applied client feedback to improve the overall responsiveness, accessibility, and appearance of the site .

Tribute Website | *HTML, CSS, JS*
- Created a tribute website for a beloved video game with knowledge in JS, HTML, and CSS.
- Developed 3 other web pages to link to the Home Page as well as a rotating gallery, using knowledge of JavaScript.

Story Archives | *HTML, JS, CSS*
- Currently creating a large scale story archives website that houses the information of numerous personal writing/creative projects.
